

DO I NEED HELP WITH MY GRIEVING?

Everyone grieves differently and in their own time.

It is perfectly normal to experience anger, sadness, guilt, denial, frustration and even relief.

If you answer yes to one or more of the following you will find talking to a professional grief counsellor helpful.

- Are you overwhelmed?
- Do you need someone to talk to that is not family?
- Are you feeling confused with how you are feeling?
- Are you coping with day-to-day chores?
- Are you wanting to harm yourself or others?
- Are you unable to stop crying?
- Do you feel uncontrollable rage at times?
- Are you worried about your thoughts or behaviour?
