# God is good

God is our provider

**Bible Passage:** Psalm 23

**Memory Verse:** Psalm 34:8

**Discuss:** How does God provide for us apart from basic things like food etc?  
Does God provide other things that are not so easy to see e.g. the fresh air on a beach or bush walk?  
When has God done something for them/family that kept you safe?

**Activity Suggestion:**

- Look at pictures of different things – scenery, a car, food etc – how do these pictures make you feel?
- Creative drawing: draw anything that reminds you that God is good.
