The Praising Shepherds

God comes with good news.

Bible Passage: Luke 2:1-20

Memory Verse: Luke 2:10

Discuss: Angels are messengers for God that bring good news about God coming to live with us through Jesus.

- Why do you think the shepherds were a bit frightened?
- Why do you think the angels came to tell shepherds about Jesus?
- Why was the news good?

Activity Suggestion:

- Talk about ways that we get good news today – TV, newspaper, text or Facebook etc. Compare these ways to the way the shepherds received the good news.
- Draw the shepherds/angels or make shepherd/angel dolls with old fabric etc. See how children imagine shepherds and angels.

Simple Prayer: Dear God. Thank you for the good news about Jesus. Thank you that your angels watch over us (Matthew 18:10). Amen
