# The wonders of God

To remember that God is our Creator

**Bible Passage:** Psalm 19:1-6

**Memory Verse:** Psalm 100:3

**Discuss:** Today's scripture can be difficult to understand but the focus is on the glory of God as the Creator. Talk about God creating everything (not how, but why). Focus on his creation of us and that it he thought it was very good.

**Activity Suggestion:**

- Have the children draw, or identify, great inventions – what do they use that makes life easy?
- Go for a walk outside and identify things that God has created
