Amazement that God came to live with us.

Bible Passage: Matthew 1:18-25, Isaiah 7:14

Memory Verse: Luke 2:11

Discuss: The children will hear of a prophecy about Jesus' birth – 700 years before he came to earth.

- Do you know what a prophecy is? Hearing about an event in the future.
- How might Isaiah have known? (God knew)
- Why did Jesus come to live *with us*?

Activity Suggestion:

- Play a game about where things belong e.g. flowers in a vase, milk in the fridge. Ask the children about where they think Jesus should have been born? (hint: he was a King)
- Draw a picture of Jesus in the stable, or of an angel bringing a message.

Simple Prayer: Dear Jesus. Thank you for coming to live with us. Help us to see you and to know that you are here. Amen
