

### ET CHURCH LAWN MOWING SCHEDULE 2018/2019

Thank you for your willingness to help in this role

The Lawn Mower is stored in the Glebe Hut at the top of the church drive

The key is still in the same place, if you are unsure of where this is, please contact the office in work hours and they will advise you. (Office phone number is 489 6308)

If you are unable to mow during your designated week, please arrange to swap with someone else and advise the office. Thanks

Mowing Kinmont includes all the grass areas around the hall, between shed and tennis courts and the little section next to the creek and you will need to bring your own mower, or take the mower from the shed at ET

If there is a horse in the surrounding paddocks, please don't give it any mown grass as it can cause colic. Thanks.
