

YOUTH EAST TAIERI YOUTH WORKER

Full time Youth Worker position in a regional Presbyterian Church.

The Saddle Hill Foundation Trust (SHFT) was established by East Taieri Church (Mosgiel) Dunedin to be the resourcing, funding and visioning body for its community and youth work. SHFT is seeking a passionate, energetic person to be a part of our supportive Youth Team working in church and community.

SHFT impacts a large number of young people each week through a vibrant range of church and community-based programmes. If you are 'the one', you will work alongside a dedicated team, leading programmes, providing pastoral care and mentoring, developing leaders, and offering chaplaincy in local schools.

You will work out of our community facility which provides generous office, meeting, recreation, and storage spaces.

Key responsibilities of this role include: facilitating adventure-based youth programmes; teaching life skills and Christian discipleship, mentoring church and community youth; developing new initiatives and, with the SHFT Executive Officer, working on responses to issues affecting youth in the Mosgiel, and wider, community.

This is a full time position with scope to adapt the job description to fit the skills and abilities of the successful applicant.

This job would suit someone with a youth work or relevant qualification, who has a love for young people, and sees God's heart for them and the wider community. If this sounds like you and you want a new challenge with a well experienced team, we'd be keen to hear from you.
