If you are unable to clean on your rostered weeks, please arrange a swap with someone else.

Thank you for your great ministry in the area of keeping our beautiful church building clean and tidy.

Vacuums/dusters etc are found in the storeroom beside the kitchen, along with spare bags. If you use the last bag, please leave a note at the office to order more.

Please clean the week before the weekend date given, preferably the Friday or Saturday morning.

First week only - clean church thoroughly, vacuum the floor, dust the backs of the pews, communion table, organ etc. Wipe marble table in the foyer. (It is only the church itself that you are responsible for cleaning.)

Second week - a check and tidy up may be all that is necessary.

IF POSSIBLE PLEASE TAKE THE DIRTY TEA TOWELS ETC OUT OF THE CLEANING CUPBOARD HOME TO WASH, THEN RETURN.

If you do not know the code to enter the church or the fellowship centre, please phone office to obtain this.

Thanks

Please Note:
At this stage there are weddings on: Thursday 14 November
