

ET CHURCH LAWN MOWING SCHEDULE 2024/2025

Thank you for your willingness to help in this role

The Lawn Mower is stored in the Glebe Hut at the top of the church drive

The key is still in the same place, if you are unsure of where this is, please contact the office in work hours and they will advise you. (Office phone number is 489 6308)

If you are unable to mow during your designated week, please arrange to swap with someone else and advise the office. Mowing at the Hub includes the grass areas around the hall, between the shed and what was the tennis courts and you will need to bring your own mower, or use the mower from the shed at ET

If there is a horse in the surrounding paddocks, please don't give it any mown grass as it can cause colic. Also, just a reminder that the manse has people renting it so please be courteous about the time of day that the lawns are mowed ie. after 9am in the weekend. Thanks.
