Mission Statement—Know God

Know God

For the next 3 weeks our sermon series will be on our new Mission Statement: Know, Grow, Go.

We know that we have some talented people in our congregations that could come up with a graphic/image that we can use for this new mission statement so....we are putting it out to you all to come up with a creative graphic/image that depicts the wording of the statement.

The graphics will be displayed (anonymously) outside the office and everyone will have an opportunity to vote on which one they like best. The 3 that get the most votes will then go to the leadership team to decide which graphic will be used.

All graphics will need to fit onto A4.

Email your submission to the office (office@etchurch.co.nz) by Friday 6 December.

We are planning next year's preaching, and we are interested to know what topics would help you follow Jesus better.

We want to focus on topics that have practical benefit for us as Christians. "How many angels can dance on the head of a pin?" will probably not make the cut whereas questions about overcoming sin, or how to read the Bible or pray, or a particular book of the Bible, or the Bible's teaching on relationships, or money, or salvation, etc. possibly will. To help with that, please email Peter@etchurch.co.nz and tell us not just the topic but why you would find it helpful. We will do our best.

A new church directory will be coming out in February 2025—in preparation for this please let the office know if you have had a change of address or phone number so that the church database can be as up-to-date as possible: office@etchurch.co.nz Thank you.
