Bible Reading Resources

This week we think about reading our Bibles. There are extra resources online. See [Why Read The Bible](#) and [How To Read The Bible](#). There is no lack of Bible reading aids around. If you would like help knowing what is available or knowing about different Bible-reading methods, please ask. We would love to help. If you want to try reading the whole Bible and keeping track of what you have read, we can give you a spreadsheet or a printed sheet with little squares for each chapter. You can cross them off when you have read them.

The easiest way to get there might be to go to www.followers.org.nz, then click on The Bible, then search (top right) for “read”.

Night Church Service resumes Sunday 9th February 2025

Thank you again for everyone's contributions to last year's Christmas Outreach weekend. As John Cleland noted the following Sunday, the powerful sense of teamwork and belonging we experienced was one of the event's greatest impacts.

It would be great to have some of your reflections and stories, comments on what worked well and suggestions of what we could do better, to help us with our planning for this year. We will be having a debrief meeting on Wednesday 5th February in the Fellowship Room at 11am, which you are all welcome to attend, however we realise that will be hard for most of you, so please do send in your written comments for us to reflect on, before then.

Watch this space for more information to come about this years Christmas Outreach!
