

SHOP 'n TAIERI

Fashionable Little Op Shop
135 Gordon Rd, Mosgiel

Next week is National Volunteer Week. I'm blessed to have an amazing loyal team, so next week they will all be showered with love and thanks, for the amazing work they do, for their friendships, their laughter and their amazing sense of humour. Without them the shop wouldn't be the success it is, and I'm beyond grateful for all that they do. Pop in and see them, and share the happiness the team brings every day to the shop.

You may have noticed that the church has been quite chilly the last few Sundays—if you have surplus throw rugs at home, we would love them so that we can scatter throw rugs throughout the church for people to use on the super cold winter mornings.

Attention all of the lovely people who work with our children

As a church we are committed to creating a safe environment for both our young people and our awesome volunteers. In order for us to do this well, PCANZ have recently released a very helpful training resource called “Warrant of Fitness”, which all people involved in any ministry to do with children, need to complete. The PCANZ Safety Warrant Fitness Training provides practical tools and insights to assist all those working with children and young people. The training will equip parishes to comply with New Zealand law, the PCANZ’s Child Protection Policy and, most importantly, keep our young people, and volunteers safe. The WOF encompasses essential training on a myriad of topics and will only take around 3 to 4 hours of your time to complete. The WOF training is required for anyone who is over the age of 16 and has dealing with, or potential dealings with, anyone under the age of 18 years of age.

The next course will be held on: **Sunday 27 July 3.30-6.30pm in the Finnie Room at The Hub**

Giving Update

One of my roles as Parish Manager is to keep track of our operational budget and as part of the Property and Finance Committee, I am reporting that offerings for the year to date are slightly under budget overall.

We are very thankful for God’s provision through offerings, and we recognise that some people may be facing personal financial pressures in these uncertain times, but we encourage you to take this opportunity to look at your direct debits and consider increasing them by 10% if you are able to, so that we can resource East Taieri’s mission and services in the church and the community.

If you would like to contribute to the wonderful work that God is calling us to do, you will find out how to do so on our website, www.etchurch.co.nz

What is this resourcing achieving? We celebrate what God is doing through us:

- Our prayer ministry is going well, with many people being trained and encouraged to minister to others in this way. A healing meeting was held in April and some people experienced God in a new way during that time.
- Our annual Ministry Conference was held in May and those who attended were encouraged, inspired and equipped in their ministry areas.
- Our children and families ministries are experiencing growth. Watch out for the 15th of June, when Kidzown are taking over the 10am service! We are very blessed to have so many amazing families and leaders.
