

Mental Health Perspectives: A Christian Response

(Talks between August and November)

We are having a series of 4 talks at 10am and 2pm on mental health and a Christian response. They are going to be presented by four people in our Church who work with mental health issues. On the 2nd November there will be a panel discussion about these issues and the questions people might have. If you have any questions following these talks please send them to the office and the team will collate them. FUEL Building Upgrade Project (Fairfield Site)

A project to replace the damaged and non-compliant toilet block and renovate the kitchen, has been in formation for around 7 years. At a cost of \$180,000, this has received approval from both the Elders and Synod, with funds coming from existing provisions. This project is now recommended for approval by our congregations. These improvements will enable an even greater community engagement and hiring of our facilities and this project is now recommended for approval by our congregations.

An information and discussion meeting will be held at 7pm on Monday, October 6th, at the Fairfield Campus (78 Main Road). All welcome.

A congregational vote will be held on Sunday, October 12th across all of our congregations. Please note that this is for voting purposes only and there will be no further discussion on this day.
