I would like to serve *within* a Core Ministry area.

I am doing all I can at the moment.

I would like to help lead a Core Ministry area.

I would like to talk about this more.

I am willing to pray for a Core Ministry area.

Bottom Line: (If you are willing to share it) I believe God is saying to me...

Spiritual Gifts

Spiritual gifts are abilities given by the Holy Spirit. They are more than our natural abilities. In what ways does God work through you beyond your natural abilities?

Different people have different gifts. God distributes them as He chooses.

Every Christian has at least one spiritual gift, given “for the common good” (Romans 12:6, 1 Corinthians 12:7, 1 Peter 4:10).

Every person is important and needed as part of the church’s mission (1 Corinthians 12:12-31).

Spiritual gifts are listed in Romans 12, 1 Corinthians 12:4-11, 27-31, Ephesians 4:11-12, 1 Peter 4:10-11.

- **Administration/guidance** – you guide people to a goal with God-given wisdom and organisation
- **Apostleship** – God enables you to take initiatives and start new things
- **Discernment/Distinguishing spirits** – you have a God-given ability to sense when things are not right
- **Evangelism** – when you share the gospel, God seems to use that and people respond
- **Exhortation/encouragement** – you encourage people to greater achievement and they respond
- **Faith** – you have a greater than average ability to trust God when He speaks
- **Giving** – God enables you to be generous. You enjoy being generous.
- **Healing** – quite often, when you pray for people’s healing, God uses your prayers
- **Interpretation of tongues** – when someone prays/speaks in tongues, God enables you to explain what was said.
- **Leading** – with God’s help, when you lead, others respond and follow
- **Mercy** – you have extraordinary compassion for those in distress and they value that
- **Miracles** – you see God do miraculous things through you. It is not you but it is a gift
- **Pastoring** – you care for, and are able to grow, people like a shepherd does for the flock and God uses you in powerful ways
- **Prophecy** – God gives you words to speak into situations or lives that resonate with people
- **Messages of wisdom** – God enables you to speak in ways that help people suddenly see what to do
- **Messages of knowledge** – sometimes you know things (because God has told you) about people or situations that you could not have known naturally
- **Serving** – you love to help people and God gives that greater-than-normal impact
- **Teaching** – with God’s help, you can explain things in ways that help people understand and learn
- **Tongues** – you have a Holy Spirit ability to speak or pray in another (perhaps heavenly) language

Other possibilities

- **Hospitality**
- **Music**
- **Physical strength** (like Samson!)

Key questions include:

- Is it a God-given ability?
- Have you seen God work through you in these ways?
- Would those who know you confirm that God uses you in these ways?

How can we help?

That list is a start but it is inadequate for a fuller discernment of your gifts. We do plan to have ways to help you discover your spiritual gifts. We are not quite ready for that, but we want to be able to help you in this way. It is a priority for us.

If you are keen to know more, please let us know.
