

Core Ministry Team Report

Ministry to Seniors

Team Member/s: - Elaine Scurr

This is a new CMT. Aspects of other CMTs also cover Seniors.

What has been achieved to date: - a discussion with the Pastoral Care team leader

What is hopefully going to happen in the future: - meet with some of the groups that are mainly made up of Seniors

Questions to ask:- what would be helpful to them? Is it information they need or actual help?

What would be helpful?

How can that be done?

Who will do it?

The Core Ministry Team for Seniors is stepping out but at this stage is unsure what this will entail.
